Re : Confirmation of the suspension

Dear Mr. Deininger,

Reference is made to the notice of charge of 14 February 2024 (the “Notice of Charge”), in relation to your violation of the World Aquatics Integrity Code that occurred on the evening of Saturday, 27 May 2023, at the official after-party for the High Diving World Cup.

For the sake of clarity, the Notice of Charge stated that in the event you do not respond by the specified deadline, you will be deemed to have admitted the charge, and the four-month suspension will apply.

In that regard, since you failed to respond by the specified deadline (*i.e.* 1 March 2024), the four-month suspension, which runs from 1 March 2024 to 1 July 2024, is now fully in force.

During the suspension you are not allowed to take part in any Aquatic-related activities or events on behalf of World Aquatics or any other World Aquatics Continental Organisation, Member Federation and recognised body.

We thank you for taking note of the above and I remain at your disposal for any question.

Respectfully yours,

Marc Cavaliero
Chief Ethics and Compliance Officer
